Bangalore-560076, Karnataka, India

**TO WHOM IT MAY CONCERN**

This is to certify that **Mr. VAIBHAV PRASHANTH**, a student of **COMPUTER SCEINCE** at **PES UNIVERSITY, RR CAMPUS, BENGALURU** has completed his internship at **Accure Private Limited**. He has worked under the guidance of **Mr. Chaitanya A** from **7<sup>th</sup> June to 4<sup>th</sup> August 2023**.

Vaibhav has worked on **AI/ML** use case which was **“Build the Computer Vision Model to predict the printed as well as hand written content from the scanned documents and build the preprocessing and postprocessing intelligence to achieve the desired level of accuracy”**. During the internship program, he understood how **AI/ML** solutions and specifically **computer vision based AI solutions** are being developed and delivered.

He is a self-motivated, hardworking and highly focused individual and is always looking to learn new skills. He has done more than his roles and responsibilities and exceeded the expectation.

**We wish him all the best in his future endeavours.**
